The steady increase of the number of pupils in the VI Form ((it was 10 in 1937 11 in 1938 and now it is 13)) justifies the recognition of the school as a permanent High school. The recognition will not involve any extra expenditure.

Letter dated 13-6-1939, from the Correspondent, St. Euphrasia's Girls' High School, Bangalore, to the Inspector of Schools, C. & M. Stn. Bangalore.

I have the honour to request permanent recognition of our Forms V and VI. Since the formation of the High School classes (1932-1935) we have sought recognition every year but it has been granted only temporarily.

Our present strength in the Forms is:

Form VI.	...	...	13
" V.	...	...	15
" IV.	...	...	22

We presented eight candidates for the examination this year. Seven took the whole examination and five were successful.

We have so far fulfilled to the best of our ability the conditions laid down in Rule 54 of the Madras Educational Regulations. We trust you will consider our case favourably this year and place us on a permanent basis.
